

# Attention Nurses & Health Care Providers

Would you be willing to minister to young people with your special gifts and talents?

Would you like to share your Christian walk with campers?

Indian Creek Baptist Camp needs volunteer nurses/health care providers. You can assist for a week, a couple of weeks, or the entire summer.

At registration, nurses/health care providers talk with each camper and parents about any health issues and collect all medicines. Throughout the week, you dispense all medicines, attend to any injuries and keep required records.

Nurses/Health Care Providers stay in an air-conditioned building.

If you are interested or have questions, please contact us!
